

Corporate Announcement

Hong Kong, China – 1 April 2022 - IX Asia Indexes Company Limited (“IX Asia Indexes”) announced today to upgrade all IX Crypto indexes dissemination interval to 5-second, which includes ixCrypto Index (“IXCI”), ixBitcoin Index (“IXBI”), ixEthereum Index (“IXEI”) as well as the 11 newly launched IX Crypto Spot Price Index Series.

IX Crypto Indexes are disseminated from 9 A.M. to 9 P.M. on every Hong Kong business day. The real-time indexes are available for viewing on the IX Crypto Index official webpage. For IXCI, IXBI and IXEI, the indexes are also available through Nasdaq Global Index Data Service (GIDS) with the tickers “IXCI”, “IXBI” and “IXEI”, with dissemination interval kept at 15-second unchanged.

For more details about the real-time IX Crypto Indexes, please stay tuned for updates on our website: <https://ix-index.com>. For dissemination of our index as vendors, please contact licensing@ix-index.com.

IX Asia Indexes Company Limited
